DE CASTRO'S ANTECLDENTS.

His Married Life in Chicago-Evidentify a Crauk.

CHICAGO, Dec. 4.—Pr. Fermiol De Castro, who committed suicide on Nunday in a botel for the committed suicide on Nunday in a botel consumer of the committed suicide on Nunday in a botel consumer of the committed suicide on Nunday in a botel for several years. He had great linguistic secondhishments and considerable medical sidi. His antecedents were totally shrouded in mystery. At times he declared himself an Italian count, who held a bandon's varieties for some romantic cause; at others, a ratio from his hirthpiace because of political vasons; again, a Russian prince, and at mother time he intrinated that he was a vaw-dish noble who had presumed to differ consumerable upon her youthful fause with his assumption of great wealth and claims to Intinguistical lineage that the married, him. Purse children were born of this marriage was under the condition of the condition which could not fall to awaten distrust, design bli-treatment and her huabau's increasing habits of intoxication, the devoted young effectuing to the man she had as readly marriage. Whe district the children was a similar to the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust, design between the could not fall to awaten distrust.

TROY, N. Y., Dec. 4.—George Sco.t, a prominent brush manufacturer, went to Oak-wood cemetery this morning to make some improvements in his lot. He was found deal in the lot this noon, the supposed cause being heart disease.

leans is almost ready for opening.

For Mayor of the city of Louisville,
Reed was elected by a majority of 8,409.

FRANK Hurd has decided to contest the election of Romeis, in the Toledo, O., district.

POLYGAMY, It is said, will be prominently considered by Congress at the present session. Louisville has on hand more than a fillion bushels of coal, and fears no

million bushels of coal, and tears and famine this winter.

The Carlisle Mercury says: A colored woman at Danville named her baby, born since the election, Grover Cleveland.

The whisky question brought out the largest poll of votes ever cast in the city of Louisville. Local option was defeated.

A Washington dispatch says Speaker Carlisle does not believe there will be any tariff legislation at the present ses-sion of Congress.

The Democrats in the Ohio Legislature will probably submit a graded license constitutional amendment to the people of the State. It is thought that Governor Hoadley will recommend a license graded from \$100 to \$300.

A COMMITTEE of tobacco growers have gone to Washington to urge Congress to remove the tax on tobacco. The manu-facturers, as a body, are opposed to the removal of the tax and will use their influence to prevent the repeal of the law

THE Plenary Council, in session in Baltimore, has sent a committee to the desert lands of Colorado and New Mexico to arrange for planting Catholic colonies. With the magnificent system of Irrigation now being carried on in that land of the sage braish and jack rabbit it will blossom like the rose.

A resolution has been adopted by the A RESOLUTION has been adopted by the House of Representatives impeaching United States Marshal Lot Wright, and ordering an investigation into the election outrages in Ohio last October. The resolution was offered by Hon. John F. Follett. The prospects are that the bull-dog pistol and club business will be carefully looked into and punishment meted out where it should be applied.

Tue official vote of the United States Tue official vote of the United States for Presidential electors has been canvassed and the count shows that Cleveland has a plurality of 70,930. The Republican plurality in 1880 ass 3,033. The increase in the vote since 1800 is 775,671, of which the Democrats received 459,030 and the Republicans 385,676. The Ureenback party has lost 189,857 votes and the Prohibitionist have gained 120,513. The total vote cast was 9,992,825.

RENTS are very high in Washington, higher probably than in any other city in the country. The adverthed rents of furnished houses to let show, too, a wide range of figures. The lowest are quoted at \$75 per month and the highest reaches \$3.782 or at an annual research reaches \$3,733, or at an annual rate of \$900 for the lowest, and \$43,796 for the Shoul for the lowest, and \$43,799 for the highest. The last named sum, one would think, would be big enough to bulld as handsome a house as even a Washington politician would want. And yet that sum it seems is only enough to rent a farnished house for a year at the nations canital.

### Let the farmer Think.

Whenever a farmer limb.

Whenever a farmer gets a labor-saving implement tor himself, let him think if something to save his wife from kitchen labor cannot also be secured. If so, he might postpone the day of his widow-lood.

A PAIR of horses attached to a wagon A PAIR of horses attaction to a weather heavily loaded with wheat ran away on Second street, yesterday afternoon, but were stopped in front of Geisel's grocery store before any damage was done.

The Paris Kentuckian says: Maysville Commandery has a fame that extends far and wide for knowing how to enter tain. She numbers many fine specimen of noble manhood in her ranks.

### School Notes.

School Notes.

DISTRICT NO. 2—DOVER.

There has been a special act of the Legislature giving extended rights this district, but as we are informed theil has been no public school organized eyet, this year.

The shool house and out-buildings present shool house and out-buildings present shool house and out-buildings present shool house is deficient and the ceiling is stained from its frequent leaking. The room in which the public school is taught to large, but not in good repair, though a small sum would be sufficient, as the walls are of brick and sound. Joseph Byar, Robert Wilson, Campbell King, Marshall King and Dr. visited the school, nor have the patrons. The census report shows that there are one hundred and thirty-six pupils in this district. There are forty-three on roll and thirty-seven were found in attendance. Mrs. Phillip Orr is teaching. It is her first term at this place. She finds a great to the large numbers that have attended. Mrs. Or is doing very faithful work. We had the, pleasance of visiting a private school taught by Prof. O. N. Weaver, in the same building that is used for the public school. There were sixteen young indies and gentlemen, studying principally the advanced branches and they very pleasant visit. There is also a private school taught by Mrs. Blair, but I did not have the pleasure of visiting it. DISTRICT NO. 4.—SILANNON.

This school is located on the turnolie DISTRICT NO. 3-MINERVA

or Lon. Durn's administratior vs. the K. C. R., has been reversed by the Superior Court. It will be remembered that young Dunn was killed while working on the railroad. His administrator secured a judgment against the company for \$3,000.

NEAR Mt. Sterling, on the lat instant, Dave Anderson and Lee Wigginton, who had a misunderstanding about a gun, met on the road armed with shot guns and proceeded to adjust the difficulty. Both men were mortally wounded. Anderson is dead and Wigginton's death is hourly expected.

MR. Louis Miller, who has been in feeble health for a year or more past, died last night at his home in East Maysville. He was for many years a valued employe of the Eagle Plow Works, but lately has been engaged in business on his own account. He was a good citizen and had many friends who will regret to hear of his death.

An outbreak by the prisoners in the juil at Vanceburg is thus noticed by the Courier:

ihe little one might sit on the stoop in the sun shine again. So Wah went backeves and went to work again, but his head was pleasy and his heart was across the align in the little house where Tot lay ill.

After a while Tot seemed to get better, and one day Wan Kee looked over the way to the little house and his heart was across the align. And Wah Kee stoop to the way to be tittle house and his heart gave a great leap, for litere, pressing against a white and wan, but amiling. And Wah Kee dropped his iron and ran across the parement and stood by the window. Tot's voice was week, and Tot might not have the window up for It was cold and damp, but Wah Kee stood outside and taked in partonnies, and Tot, punchand the window, and Wah Kee stood in the shop and looked at the little face and sighed.

So every day Tot was propped up in the window, and Wah Kee stood in the shop and looked at the little face and sighted.

So one of your own was the work of the work of the work of the work of the baby, but Wah Kee so only shook his head and answered:

"Wah Kee had no one else. Tot is Wah Kee had no one lese. Tot is Wah Kee had no one can be and the prattern of the dead baby—and Wah kee had no one else. Tot is what Kee had no one can be and the prattern of the dead baby—and Wah kee had no one can be and the prattern of the dead baby—and Wah kee had no one can be and the prattern of the dead baby—and Wah kee had no one can be and the prattern of the dead baby—and wah had a carriage, and all alone, in the silence of the tight closed cab, he rode and grieved for the aunny face and the prattern of the dead had a carriage, and all alone, in the silence of the tight closed cab, he rode and grieved for the aunny face and the prattern of the dead had a carriage, and all alone, in the silence of the tight closed cab, he rode and grieved for the aunny face and the prattern of the dead had one can be and the prattern of the dead had one can be and the prattern of the dead had one can dead the same the prattern of the dead had one can d

shiped with an areas.

## A FRAUD UNEARTHED.

A FRAUD UNEARTHED.

Tin Shrete Fassing Through Castom Shinisea as Tin Plates.

Privagua, Dec. 4.—The American Tin Plate Association, of which John Agrett is the general agent, has discovered a direct variation of the sections of the tariff law regulating the duty on tin plates and sheet ron. Last summer the Appraiser Department of that large timed sheets were being entered at the large timed sheets were being entered at the plates. The chief examiner ruled that they were timed sheets and should be entered under the rate of section 15 of the new tariff index, which provides the rate for plates all made the rate of section 15 of the new tariff index, which provides the rate for plates all mind by the Treasury Department on July 14. Slince that time these tinned sheets have not been imported through the Paidedphila Custom House but have been coming in steadylly brough the custom houses of New York and Boolon as tin plates. Mr. the intention of bringing the matter before the Secretary of the Treasury so clearly that the olicers of all ports of entry will be instructed to stop the fraud which amounts annually to thousands of dollars and its rapidly growing crasp the idea, and the shipments each week are larger than those of the week preceding.

are sarger than those of the week preceding.

Hy Cance from New York to New
Orleans.

New York, Dec, 4—Dr. R. H. Russell, or
465 Canal street, will stert some day this
week in a cance for New Orleans, via the
Hudson, Erie and other canals to the Ohio
River, thence down the latter to ten Missisippl. The trip will take about six weeks.

The Doctor will then exhibit his boat at the
Exposition. He challenges all comers to compute in the canceling.
